The Postal Service is filing these contracts with the Commission under seal. The agreements are derived from a common template³ and would appear essentially the same when redacted. Therefore, the Postal Service requests that the Commission consider the redacted version of the customer agreement with serial number NPR15-FY20-JUN20-N-T0-0001, filed in this docket as Attachment 1 to the Postal Service's notice dated June 29, 2020,⁴ as representative of the contracts being filed.

The unredacted version of the inputs worksheets that were used to generate customer-specific rate tables for the agreements for which the Postal Service is providing notice are being filed with the Commission under seal. The first set of inputs worksheets are similar to the inputs worksheets which the Postal Service filed redacted versions of with the Postal Service's notice dated March 29, 2021, in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket on March 29, 2021, as representative of the first set of inputs worksheets filed with this notice.⁵ The second set of inputs worksheets are similar to the inputs worksheets for which the Postal Service filed redacted versions with the Postal Service's notice dated August 13, 2021, in this docket. Therefore, the Postal Service requests that the Commission consider the redacted versions of the inputs worksheets filed in this docket on August 13, 2021, as representative of the second set of inputs worksheets filed with this notice.⁶

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's notice of May 21, 2020, in this docket.⁷ The application protects from disclosure the information that has been redacted from the contracts and the inputs worksheets that the Postal Service is filing today with this notice.
